

B PLUS at FIPAN 2026 Innovation Without Limits

From São Paulo, Brazil, B PLUS proudly participated in FIPAN 2026, one of Latin America's most important exhibitions dedicated to bakery and food service professionals.

Engineering Excellence for Tomorrow's Bakeries

At B Plus, we believe that every successful bakery begins with the right technology.

During FIPAN 2026, we highlighted solutions designed to maximize productivity, ensure consistency, and help businesses transform their ambitions into reality.

The exhibition was about creating relationships, exchanging knowledge, and building a stronger future for the bakery industry.

Moments That Made FIPAN 2026 Exceptional

- ▶ **Meaningful Connections** : Welcoming visitors and professionals who share our passion for innovation.
- ▶ **Innovative Solutions** : Introducing advanced equipment created to meet the demands of modern bakeries.
- ▶ **Future Opportunities** : Opening doors for new partnerships and collaborations across international markets.

We are grateful to everyone who visited our booth, shared their vision, and trusted our team throughout this incredible experience.

Together, we continue to build a future where innovation meets craftsmanship & where every bakery has the opportunity to rise.
